

Winter Shapes

mug Snuggle up with QuicKutz this season and die cut some frothy mugs of your favorite delicious beverage! This DoubleKutz mug shape die cuts four versatile pieces: the mug, the froth, the steam and the saucer. Use it as hot cocoa, black coffee, specialty coffee, hot tea and more!

skis These ski and pole die cuts aren't limited to the snow season! Use the SingleKutz skis die to create winter party invitations, snow bunny nametags and ski club scrapbooks. They look especially snazzy when made with metal paper!

NOTE: *QuicKutz does not recommend skiing and scrapbooking at the same time. Please scrapbook responsibly hit the slopes, then or take them out any time you feel the need to hit the slopes!*

parka Stay warm this winter with this DoubleKutz parka die shape! Create a puffy coat die cut for cold-weather layouts or ski trip invitations!

ski accessories Accessorize, accessorize! Every ski or snowboard fan needs a pair of goggles and a lift ticket! These cute ski accessories are this year's must-have die cut shapes!

hat Create winter cap die cuts with our DoubleKutz hat die! This hat, also known as a "tuque" in Canada, has two pompon styles to choose from. Don't scrap this winter without a QuicKutz hat!

hockey skate Create a pair of rink-ready skates with our DoubleKutz hockey skate die! Without the blade, this skate can also be used as a boot! This shape coordinates well with the hockey stick & puck die (RS-0598), as well as the more feminine ice skate die (KS-0599).

hockey stick & puck Get your game on with hockey stick & puck die cuts made with this SingleKutz die! This is a great shape for all hockey fans or for people who love to scrapbook about hockey!

ice skate Create a pair of rink-ready skates with our DoubleKutz hockey skate die! Without the blade, this shape can also be used as a woman's shoe or boot!

snowflake Create this simple snowflake die cut with our SingleKutz snowflake die! This pretty, 6-point ice crystal will turn any winter weather layout or holiday card into a work of art!

bear Get your tools ready to die cut this unbearably cute polar bear! Our DoubleKutz bear die creates separate arms and legs for ultimate possibility! Use white cardstock to create this polar bear example or different colors to create the right bear for your project!

penguin Bring the South Pole to your scrapbooks with this DoubleKutz penguin die! Whether you're scrapbooking a trip to the zoo or just love penguins, this cute little animal die cut is sure to melt hearts in all parts of the world! Die cut one little penguin or a whole family of penguins...they'll look great anywhere!

snowflake GooseBumpz Add texture of a winter wonderland to your die cuts and paper crafts with your QuicKutz hand tool and this GooseBumpz Snowflake die! It's perfect for holiday cards, snow day layouts or invitations to winter festivities.

Create a unique look by embossing only one layer of a DoubleKutz die cut shape or one layer of an alphabet with a shadow!
