

**Welcome to Photo Express' Biggest Inventory Blowout Ever!**

**30% - 80% Savings!!!**

**How to find the fabulous deals:**

- Follow the Red and White **.Inventory Blowout.** banner signs to the sale areas throughout the store. Each of these spaces has inventory marked down **30-80% off the regular price!**
- Match the check mark on the package or line through the barcode to see how much savings you receive.

- **Hot Pink = 30% savings**
- **Orange = 50% savings**
- **Purple = 80% savings**

- Make sure to check the other side of papers as often the other side is very usable also! Stock up for card making, scrapbooking, kids crafts, crops, schools, gifts and more!

**Photographic Accessories:** We have a large amount of photo accessories/software on clearance as well, both on the class tables and in the glass showcase of the front counter. Sale prices on these items are as marked.

If you have a large purchase, we will be ringing it through in 3 transactions – one for each discount level – to help speed up the cashier process. If you have a bank account that charges per transaction, just let us know, and we will put it through in one transaction (it will just take a moment longer).

**Note:** Savings apply to the regular price. Valid on current purchases while supplies last. Due to the incredible savings, no further discounts apply. All sales are final.

Happy Savings!!!!

p.s. No, we are not closing and we haven't gone loopy! We Need Space for the boxes and boxes of new scrapbook inventory, plus an entire new line of camera accessories, batteries and fun photographic gifts. All of this means that we need a big space NOW to put it all out, and you get great savings!!
